THE WHITE HOUSE
Washington

NATIONAL NEWSPAPER WEEK - 1962

I would like to offer my greetings to the nation's press during this observance of National Newspaper Week, 1962.

Newspapers play a vital role in our society. They have been called the universities of the people and rightly so. With all the great advances of our educational system and the spread of its benefits to an ever greater part of the population, the free press remains the most important source of popular political education without which a democracy cannot function. The responsibility of the press in fulfilling its role is great. It must present both full and accurate news and informed comment which puts that news in perspective.

A great part of the attention of the press is rightly focused on the doings of our government at home and abroad, another great part on the foreign scene. By what it says on these topics and the way it says it, the press does much to shape and focus the nation's thoughts on these important matters.

I think we are fortunate as a nation in having a press that tries to live up to these responsibilities with progressively higher standards.

HERALD CITES NNW, INVITES CLUB VISITS

National Newspaper Week is being cited October 14-20 across the nation.

The Cameron Herald pauses to cite the upcoming week, annually held to note the services rendered by daily and weekly newspapers across the United States.

Herald readers are invited to visit the offices and plant of The Herald during the next week to see how a weekly newspaper is written and printed.

Herald personnel will be available to demonstrate procedures used in the plant to compose and print the 103 - year - old weekly.

Groups of students, Scouts, clubs or any other groups interested in visiting the plant, 108 E. First St., may arrange a visit anytime from Monday through Saturday of next week by calling The Herald and setting a time for the visit.

The Herald was founded as the Milam Centinel in 1860. Later the name was changed to the Cameron Centinel and in the 1880's to The Cameron Herald.

Historic among the editors and owners of The Herald was J. B. White, editor from 1920-51, the year of his death. Other well - known editors and publishers were Oscar F. McAnally, H. B. Terrell, B. H. Cammer, Major James B. Moore and founder E. H. Began.

Caldwell Success Story

Leaders Outline Program

Cameron Lions Monday heard a report on Caldwell's eight - year progress toward industrial development.

Charles Easter, vice - president of the Caldwell Industrial Foundation, and Gene Horak, Caldwell Chamber manager, described a - chievements of the community of 2,000 people that include a $100,000 industrial foundation.

"It all started eight years ago when an industrial specialist visited Caldwell," Easter said.

The visitor took a tour of our town and listed 10 things we would have to do to survive, Easter said.

From that visit came a community development program that has raised a quarter of a million dollars in the past five years for various improvements.

Result of Caldwell's drive for community development has been impressive. Easter listed major developments including:

An industrial foundation capitalized at $100,000 which made possible the purchase of a 100 - acre industrial site and construction of a steel building, 40,000 square feet. An air strip will be added in the future.

--A strong chamber of commerce, now operating on a $11,000 budget. It was the first project on Caldwell's "Comeback" Agenda with Caldwell members pledging to support a program having a full-time manager and parttime secretary. Ninteen members pay $25 or more monthly while the monthly minimum is $5 for other members.

--New city equipment which has made possible the paving of some 180 blocks of streets. It was purchased from revenue produced by the power company, now city-owned.

--A new hospital, paid for through bonds. Plans include building a rest home from hospital proceeds.

--A new elementary school with plans for consolidating some county schools within the next two years.

--A $40,000 swimming pool which was the first step in establishing a recreation program in Caldwell. Eight years ago it had none.The community is hoping to have a bowling alley in the future.

--A new motel - restaurant, now in final stages of completion. Easter cited the community's privately - owned motel, the Surrey, including a restaurant with facilities for 230 people.

--A continuing face - lifting program which is gradually attracting new businesses and dressing up the town. Ten new businesses have come to town.

Easter and Horak were introduced by John B. Henderson, Jr., program chairman.

DEMAND HEAVY FOR STOCKERS; FARMERS PLANT

Milam County's fall planting is underway after one of the best grain crops in history and a cotton crop a thousand bales ahead of last year.

Cameron Compress reported 13,500 bales of Milam cotton and about 6,500 bales of out-of-county cotton with more than 95 per cent of the crop completed.

ASC officials reported that grain production hit an average per acre yield of 2,500 pounds in maize and 35 bushels in corn.

Fall cover crops are already being planted, ASC manager Alva Sanders said, including small grain and legumes.

And almost ideal ground moisture has allowed early fall distribution of fertilizer on many farms, officials said.

The grazing grass is in good shape and prices are holding steady. County Agent J. D. Moore said that demand is heavy for stockers, cows and calves among cattle producers.

He also noted there is no serious infestation of army worms, often a problem this time a year.

Sanders reported that grazing restrictions will end on diverted gain acreage in the 1962 feed grain program on November 1. Grazing will be allowed on that acreage after that date.

And he said that information is now being developed for the 1963 wheat stabilization program. About 200 farms in Milam County plant wheat each year, Sanders said.

Yoe End Non Dist. With 2 - 3 Record

The Yoemen wound up non-district play last week with a 2-3 record. The losses came at the hands of Rosebud, West and LaGrange. These teams are all undefeated thus far.

Rosebud is ranked high in the Class A teams in the state while both West and LaGrange are both in the top 20 schools in AA ball.

The Yoemen have been outscored 95-47. Yoemen wins were by one point against Taylor and ten points against Marlin. The Yoemen have not been shut out this year.

Season statistics look like this:

	Yoe.	Opp.
First Downs	53	54
Net Yds. Rushing	674	751
Net. Yds. Passing	110	232
Passes Attempted	19	38
Passes Completed	9	18
Intercepted by	2	0
Punts	24-632	18-546
Penalties	15-140	21-172
Fumbles	9	7

Doskocil leads the Yoemen in rushing yardage with 250 yards in 39 carries. Joe Mayer has carried the ball 64 times to 237 yards for second place. Craig Wallace is third with 150 yards in 39 carries.

In the aerial game Mike Mikula has passed 13 times completing 8 for 97 yards. Dickie Ponder completed one out of four attempts for 13 yards.

Merlin Lester is the leading pass receiver as he bagged 3 for 51 yards. Wallace has three catches for 31 yards.

Bob Dymke intercepted one pass for five yards and Doskocil one for 40 yards.

Lester has punted 22 times for 655 yards and Ronnie McWilliams has kicked 11 times for 307 yards.

Ideal Hatchery Wins 2nd Place

Cameron's Ideal Hatchery and Poultry Farm has logged the second highest average in three-year tests in the Missouri Random Sample Laying Test.

The Cameron hatchery has also maintained the highest average chick income in five - year tests under Missouri Random Sample programming. This award has been won two consecutive times.

Ideal's H-3-W chick was second placing behind a Webster, Kentucky, entry. Places were determined by figuring the factor of income over feed costs.

The Ideal result was $2.873, about five cents behind the Kentucky entry.

Services Thursday For Mrs. Barrett

Funeral services will be held Today (Thursday) at 3 p. m. for Mrs. Donna Barrett, 77, who died Wednesday at St. Edward Hospital. Rev. Kenneth Haley, pastor of First Christian Church, will officiate at Green Funeral Chapel. Burial will be in Oak Hill Cemetery.

Mrs. Barrett was born August 10, 1885 in the Yarrellton community and had lived in Milam County all of her life. She was a member of First Christian Church, Cameron.

Surviving her are her daughter and son - in - law, Mr. and Mrs. Ray Westbrook.

Firemen Answer Two Alarms Sat.

Cameron firemen answered two fires in the last week according to Frank Richter, truck driver.

A truck caught fire 2 miles west of Buckholts and was a total loss before the department could get to the scene. The load of steel pipes it was carrying was not destroyed. The fire was at 3 a. m. Saturday.

A second fire burned a mattress and caused smoke damage at the Kahler residence. This fire was at 10:30 a. m. Saturday.

Cong. W. R. Poage Visiting Cameron

Congressman W. R. (Bob) Poage representative of Texas' 11th Congressional District, will meet constituents from Cameron and Milam County Thursday afternoon at the Milam Courthouse.

He will be in the county judge's office from 2 to 4 p. m. Thursday (Oct. 11) to visit with residents wishing to discuss any legislative measures.

It is Congressman Poage's first visit since he was honored with an appreciation dinner in Cameron in January.

Buckholts Church Sets Revival

The Buckholts Brethren Church will hold a four night revival service beginning Sunday, Oct. 14 and continuing through Wednesday.

The worship services will begin at 7:30 p. m. each night, according to Rev. John Baletka, pastor.

Guest speaker for the revival will be Rev. Frank Horak. He is presently with the United Church of Christ in Houston.

Salvation Army Fund Reaches Half - Way Mark

The Salvation Army Fund Drive reached $763?56 as about 50 percent of the cards are in from the workers.

This is over half of the goal set by the campaign committee. Bill Tolson is head of the fund drive. The drive started a week ago with the ten team captains and their workers meeting at the Texan Cafe.

Pledge cards amounting to about $500 are in but not collected. The fund is expected to hit and possibly exceed the goal of $1,500.

"The committee is pleased with the fine results of the drive," said Judge Don Humble head of the Salvation Army committee. Others on the committee are E. E. Curtis, Elvin Hoskins, Forrest Sapp, F. L. Gregory and Tolson.

By Leslie

Daddy said I could write his column this week, so I did.

I'm only 3 (they tell me). I know because I hold up 3 fingers and everybody says: "Oh, you're 3?" And I say: "Yes, 3."

We have fun at our house. Come look at the walls of my kitchen and bedroom sometimes. There are pretty pictures everywhere. I suppose it's because I use water colors and paste and crayons when Mommy's looking and when she isn't looking.

Right now my favorite project is making "books." It's really easy. Like yesterday morning, I asked for a section of the morning paper. Daddy gave me a part of the paper with cartoons on the front page. That made a nice cutout, even if it did make Daddy mad.

My kitchen is right behind Mommy's kitchen. It's really a porch, but it's my kitchen. We do a lot of cooking and never run out of things to do. I don't know why Mommy puts her hands over her eyes while I make cakes and pies. And I don't know why Daddy mutters to himself everytime he limps in from the back yard. That's where I get the mud. Right under the water faucet. The hole keeps the water from running all over the grass.

After I bake, I take my bath. I took a bath just before I wrote Daddy's column. They said I had to (first take a bath, then write my column.)

They used to tell me I spent a lot of time at the neighbors. I still visit some, but they don't look for me anymore. I'm tempted to cry when they don't look for me. I'm fairly sure they want me to come home.

I haven't any plans right now, but I have some hopes. Mainly I hope it keeps raining, since it makes baking so much easier. It didn't rain for a long time and I ran out of sand and it was almost too hard to dig up the dough.

If you haven't anything to do, why don't you come over and bake and paint with me? There are still some walls left. And if we can't find any paper, we can paste some more pictures on that little post on the front porch.

PROJECTS BEGIN On 2 BUILDINGS IN CITY AREA

Two Construction projects were underway this week in Cameron.

The building opposite the Cameron Post Office is being completely remodeled and improved at the corner of Second and Houston.

It is being prepared for moving of offices of the Agriculture Stabilization and Conservation offices from present quarters on First St.

Construction is also underway on a cafe building north of Cameron and across from the 77 Drive-In theatre.

Construction on the Earl Curtis home in the Culpepper Addition continues.

The Gohmert building on the east side of the square was being prepared this week for moving in equipment and supplies of a bakery - distribution business to be operated by Mrs. Gwendolyn Haddaway, formerly of Cameron, and presently of Dallas.

Milam Banks See General Increase

Milam area bank deposits remained virtually the same at the September 28 call compared to last year with deposits in five county banks totaling $24,360,990.11.

Milam deposits increased $22,-169.45 from the Sept. 28, 1961 bank call of $24,338,820.66 for the five Milam banks.

First National Banks deposits showed an increase of $625,313.24 and the Rockdale State Bank showed an increase of $525,789.04 over a year ago.

Citizens National Bank of Cameron showed a drop in deposits of $1,333,843.05 from $12,185,930.13 to $10,832,087.08.

First Nantional Bank deposits totaled $5,219,037.45 Sept. 28 compared to $4,593,723.81 a year ago. Rockdale State had deposits of $6,021,000.61 Sept. 28 compared to $5,495,211.57 a year ago.

Deposits increased in both the Thorndale State Bank and Buckholts State Bank over a year ago. Thorndale State deposits were $1,-569,172.22 Sept. 28 compared to $1,246,347.30 last year. And Buckholts State Bank reported $919,-692.75 compared to $837,607.85 a year ago.

Rogers State Bank also showed an increase from $925,839.47 last year to the Sept. 28 call of $948,-577.48.

Last year, Citizens National showed a $3.4 million increase in deposits over the 1960 call. Officials said the normal variation of deposits caused fluctuations.

Hearing Outlined By Bryan Russ

Bryan Russ, county - district attorney of Robertson County, described the six week grand jury investigation of Henry Marshall's death in a speech before Cameron Rotarians Wednesday.

He said investigation into the Texas agriculture field executive's death was conducted before a Robertson Grand Jury and despite a "carnival - like atmosphere" was carried out as thoroughly as possible.

The grand jury called 135 witnesses, including Billy Sol Estes, Pecos promoter, who took Texas' equivalent to the Fifth Amendment hundreds of times in answer to Russ' questions.

Russ said he wished the press had had the "ability and the desire" to shape opinion with all the facts, not just those most interesting and best for reporting. He noted, however, that all facts and testimony brought before a grand jury are not available to the press.

Russ described Marshall's actions the day of his death in June, 1961. He was last seen alive about 10 a. m. that day. That afternoon he was found dead shot five times by a 22-cal. rifle, belonging to him.

The grand jury called for an autopsy, taken by a Houston pathologist and a Hearne Surgeon. Shots were found to be 'contact' wounds, meaning the muzzle of the rifle was held against Marshall's chest and stomach. There was also a trace of carbon monoxide in Marshall's lungs.

The FBI, which had 26 agents investigating the case, termed the death suicide, Russ said.

There were no tracks of cars or men found at the scene of the shooting or on either of two roads leading to the Marshall farm near Franklin, Russ said.

He opened his talk, rhetorically, as he closed it: "Can a man shoot himself five times with a .22 - cal. rifle."

He noted that a woman was found alive shot five times with a .45 - cal. automatic pistol in Belton.

Russ was introduced by Robert Ellett, program chairman.

Services Held For Mrs. Mattie Allen

Funeral services for Mrs. Mattie Dora Allen 71, will be held 10 a. m. Friday in the Earthmans Chapel in Bellaire. She died in Houston Oct. 9. Graveside services will be 2 p. m. Friday at Hearne Cemetery in Hearne.

Surviving are two daughters Mrs. Frank J. Blakeslee of Houston and Mrs. Tony Lanny of Philadelphia, Pa., two sons, Charles D. Allen of Killeen and Lee R. Allen of Houston; three brothers, Robert, Floyd and Archie Conner all nephews and one great granddaughter.

Meeting Monday Here

Screwworm Funds Sought

A meeting 7:30 p. m. Tuesday will kick off a second drive for Milam funds to combat Texas screwworm infestation. It will be held at First Methodist Fellowship Hall.

Dr.G. Kendrick, of Marlin, will be the guest speaker to explain to livestock producers in Milam County the latest information on the state - wide effort to eradicate screwworm in cattle, sheep and other stock.

John S. Batte is Milam County chairman of the drive, which last spring raised more than $6,000 for contributions to the Southwestern Livestock Association's drive.

Dr. Kendrick is a member of the Animal Health Board and will explain efforts to raise an additional $1.2 millions for the continuing program to eliminate screwworm.

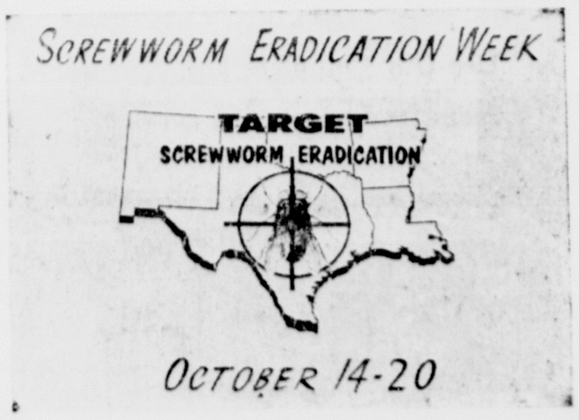
The week of Oct. 14-20 has been declared Screwworm Eradication Week by Gov. Price Daniel.

County Agent J. D. Moore said that letters had been sent to every livestock producer in Milam County in an effort to get as many producers as possible to the meeting.

The State of Texas will match the goal of $3 million from livestock producers with an additional $3 million, Moore said. And the federal government will match the $6 million total in a massive effort to stamp out screwworm.

The screwworm menace is being attacked with sterilized flies, which when mated with screwworm flies, cause sterilization in succeeding generations of the pest.

Batte urged all Milam Countians to attend the meeting Monday night Officials termed it one of the most important programs in the history of the Texas livestock industry.



SCREWWORM ERADICATION WEEK -- The week of October 14 - 20 has been designated Screwworm Eradication Week by Governor Price Daniel, climaxing the efforts of Southwestern livestock producers and sportsmen to raise $1.3 million to rid Texas and the Southwest of the livestock pest. Its estimated annual damage is $100 million. John S. Batte is the Milam County chairman of the animal health committee, which is spearheading the local drive.

TOWN and COUNTRY NEWS

FARM ACTIVITY

This is the season of the year when the tempo of farm activities soar toward their peak. And, points out the Texas Farm and Ranch Safety Council, it is also the season when rural residents should put their best safety practices into use. Tractors and harvesting equipment are rolling, trailers, trucks and farm machinery are using the highways in record numbers and the chances for accidents are multiplied. "Be careful and be around to finish the harvest," advises the Council.

County Agents Notes . . .

Annual Pecan Food Show Set

By J. D. Moore
Milam County Agent

The Milam County Horticultural Committee under the direction of Anton Anderle, chairman, made plans for the 1962 annual Pecan and Food Show.

The show will be held this year in Rockdale on December 8, at the request of interested committee members from that area. Rules will be announced later but growers are urged to select pecans to show. Growers should select a quart of pecans. If pecans are scarce, a minimum of 15 pecans may be considered an entry. Due to the short pecan crop the committee agreed to give the entry back to the exhibitor after the show. Entries should be placed in a jar with the exhibitor's name, address, variety of pecan entry and location of tree, written on a slip of paper and placed in the jar with the entry. The entries may be left at the Rockdale Chamber of Commerce office for the Rockdale area and at the county area. There is no limit to the number of entries an exhibitor may enter but the entries are limited to Milam county. The pecans must be from the 1962 crop and grown by the exhibitor.

The county agent will assist anyone needing help in selecting their pecans. If the variety is not known, they will be identified by the judges at the show.

Committee members planning the show were Mrs. W. I. Skinner, Mrs. Cecil Grabener and Mrs. Preston Perry, all of Rockdale, and Mrs. Frank Hanel, Frank Karnowski, E. J. Provasek, Joe P. Mueck and Mr. and Mrs. J. D. Moore.

—

SHORTCOURSE

The following Fertilizer Dealers and farmers have enrolled in a Fertilizer Shortcourse to be held at Temple on the nights of October 16 and 18. B. F. Grimes, Lewis Rylander, A. W. McCullin, and Joe P. Mueck from the Cameron area and Albert Lange and Edward Senkle of Buckholts.

—

A Screwworm meeting is set for the night of October 15 at Cameron to be held in the Methodist Fellowship Hall. Dr. G. Kendrick, Animal Health Boardmember will bring stockmen up to date on the program. All stockmen should attend.

EI&E

COMMUNITY FAIR

The Gause Community Improvement Program Committee is planning their annual Community Fair te be held Friday, October 19 at the Tidwell Elementary School. The fair will feature exhibits in Livestock, Poultry, Crops, Canned Produce, Needlework Euducation, Ceramics, and Culinary Arts.

An educational program will be held in the afternoon. The highlight of the program will feature addresses by Mrs. Ada Simond, Field Consultant in Health Education, and Dr. Connie Yerwood with the State Health Department of Austin.

TRACTOR FUELS

LP or liquified pertoleum gas is in wide use on Texas farms and ranches as a fuel for tractors and for household uses. According to Henry O'Neal, extension agricultural engineer, it is a safe fuel and can be used without fear of explosion or fire if proper care and safety practices are observed regarding its use.

Harvesting In Brazos, Navasota Area Resumed

Harvesting was resumed in the Brazos and Navasota River bottoms after the heavy rains and receipts from this area were normal, according to J. B. Russ, Officer in charge, USDA Cotton Classing Office, Austin.

Grades were off some with 45 per cent of the cotton being classed in the White grade category. Most of this cotton was Strict Low Middling and Low Middling. Strict Low Middling Light Spotted accounted for 22 percent of the cotton classed; Low Middling Light Spotted 15 percent; Spotted cotton comprised 10 per cent of the total and Gray and Light Grade made up 4 percent; 3 percent was classed as Below Grade.

Staple length was off some, Thirty - five per cent of the cotton was classed as 31-32 and below. Only 65 per cent was one inch and longer compared to a week ago when 80 per cent of the cotton was one inch and longer.

Market activity increased last week with a good demand for nearly all grades. Almost one - half of the cotton is selling at 50 to 100 points over the CCC Loan support price. Some high grade cotton was being taken out of the Loan and was netting almost 25 points.

Cotton receipts declined more last week. Only 10,005 samples were classed, which brings the total for the season to 387,116 bales. One classer was detailed to another office, leaving 9 classers. This office was current in classing all last week.

NEW PUBLICATION

The Texas Agriculture Extension Service has released a new publication which should be of interest to all broiler producers. It is B-991, "Broiler Production," and copies are available free from the Agricultural Information Office, College Station, Texas, or from the offices of local county agents.

AUCTION REPORT

Cattle numbered 577 and hogs 204 at last weeks livestock Auction sale.

Prices paid were:

STEERS:

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending Oct. 6, 1962 were 20 strep throat and one gonorrhea according to Milam County Health Department's acting director, T. E. Crump.

Sharp PTA Holds Meeting Oct. 3

The Sharp PTA held its second meeting Oct. 3. The first and second grades presented the program of songs, poems and ended with the Pledge of Allegiance.

After the program, Mrs. Bill McMurtry opened the meeting. Mrs Dalton Stevens read the minutes and Mrs. James McQuary gave the treasurers report. Three new members were welcomed.

A Halloween carnival is being planned. It will be held Sat. Oct. 27 in the Sharp gym. Sandwiches, pies, cakes, cookies, cold drinks and coffee will be sold.

There will be planned entertainment for all ages, including ball throwing, cake walks, forty-two and dancing. Chances will be sold on a frozen turkey. Final plans will be announced later.

A special meeting has been called for Wednesday Oct. 17 to complete plans for the carnival.

The regular meeting will be held on Nov. 7. The third and fourth grade students will present the program. Visitors are always welcome.

WALLS AND WINDOWS

The season of sweating walls and windows is at hand. As an aid to the solution of the problem, W. S. Allen, extension agricultural engineer, says all gas stoves, floor furnaces, central heating systems, gas refrigerators, dryers and water heaters should be vented. Good insulation in the home will also help, he adds.

Rogers High School Hosts CTSCA Meet

ROGERS — The Rogers High School Student Council and sponsor were host Wednesday morning of this week for the semi - annual meeting of the Central Texas Student Council Association Executive Committee meeting. J. L. Chervenka, local high school principal, is Executive Chairman of the CTSCA

The purpose of this meeting was to plan the Association's fall meeting, which will be held on November 17 at Granger High School.

The schools represented at the meeting were Rosebud, Killeen, Hearne, Granger, University High of Waco and Rogers. Refreshments of punch, coffee and cookies were served by the local Council officers of which David Wright is president.

IN SERVICE

WILDFLECKEN, GERMANY — (AHTNC) -- Army Sergeant First Class Leon Howard, whose wife, Rebecca lives in Cameron recently arrived in Berlin with other members of the 7th Artillery's Battery A.

A motor sergeant in the battery, he entered the Army in 1944 and was stationed at Fort Riley, Kan., before arriving overseas on this tour of duty in July of this year.

—

Three Central Texas servicemen, David Weber, Seaman apprentice, USN, son of Jesse J. Weber of Buckholts, Patrick Wallace, Airman apprentice, USN, son of Olena Wallace, of Buckholts, and Billy Ray Crow, seaman apprentice, USN, of Davilla are home on 14 days leave after completing nine weeks of basic training at the U. S. Naval training Center, San Diego, Calif.

In a few days, Wallace will leave to attend Aerographer's Mate School which is located at the Naval Technical Training School, Naval Air Station, Lakehurst, N. J. where he will study meteorology for 19 weeks, map reading and upper air observations.

Weber and Crow will leave in a few days duty aboard the Aircraft Carrier Bon Hom Richard which is on a tour of duty in the Far Western Pacific.

Mr. and Mrs. J. A. Provasek spent the weekend in Waco with their son and wife, Mr. and Mrs. Dennis Provasek, where they attended the Heart O'Texas Fair and Rodeo.

THE DEPENDABLES ARE HERE!

EVERYONE WHO SEES IT GETS CARRIED AWAY

...BEAUTIFULLY

INTRODUCING THE 1963 DODGE

People can't help being carried away by the 1963 Dodge. Who can blame them? Dodge looks like an expensive car. But, it's priced down with other low-price cars. And inside there's room galore! The roofline sweeps straight back instead of sloping off. That means ample headroom in back, not just in front. There's more legroom and footroom, too. The seats are chair-high whether you choose a model with sofa style, buckets, or fold-down center arm rest in front. Plus, you get the most luxurious interiors in the field, a smooth torsion-bar ride, a thrifty Six or quick, slick V8. Little wonder, people get carried away . . . especially now that every Dodge is backed by a revolutionary 5-year/50,000-mile warranty*! See your Dodge Dealer.

*Your authorized Dodge Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts, transmission case and internal parts, torque converter, drive shaft, universal joints (excluding boot covers), rear axle and differential, and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedules. Factory approved remanufactured parts may be used for replacement.

SAFEWAY

JOHN CONNALLY
DEMOCRAT
FOR GOVERNOR

History is a necessary tool for the legal profession. All citizens would do well to know and profit by history in conducting the affairs of government.

Not many folks living today remember when the only mode of transportation available to most people was on foot or bare - back on a mule; when a young man was fortunate if he could get his first store - bought suit of clothes by the time he was sixteen years of age. Suggestions are that some people are excited about the candidacy of the erstwhile Democrat, Johnny come lately Republican, Mr. Cox. Disgruntled Democrats seldom make good Republicans and never make good public servants. How tragic when a candidate for Governor of this State in his quest for votes becomes desperate, and with the help of those who have allowed hate to control, appeals to the prejudices of men seeking to inflame their passions and thereby gain votes. Can such a policy and program create good government? History records that all major legislation for the benefit of the people of this country has been passed by Democratic administrations. Woodrow Wilson gave us the Federal Reserve Banking System and Federal Land Banks. Franklin Delano Roosevelt gave us the F. D. I. C., Federal Deposit Insurance Corporation, and Democrats gave us R. E. A., Rural Electric Administration. All bank deposits up to $10,000.00 are now guaranteed without cost to the depositor and this covers the greatest number because few have more that that amount on deposit. Practically all rural folks have electricity and what a change in just the last fifteen years.

This character of legislation in the interest of the people has always been opposed by special interests and our memory extends backward for half a century to verify that fact. We have come a long way economically and how can any citizen want to turn the clock back.

John Connally cannot be controlled and is free of entangling alliances. He suggests a program for advancement without parallel in the history of Texas politics. Texas or this Nation has never produced a more honorable or deserving man than John Connally and he does have lots of ability. I commend him to you.

Respectfully,

C. R. (Roy) Law

Buckholts —

Henry Fuchs Family Reunion Held At Burton

By Mrs. J. W. Meyer

Mr. and Mrs. Paul Fuchs, Mr. and Mrs. Barbee Barrett, Mr. and Mrs. Delphin Schiller, Mr. and Mrs. Carl Gonten and daughter, Carolyn, Mr. and Mrs. Alvin Fuchs, Mrs. Bill Lange. Mr. and Mrs. I. J. LaGrange Tops Yoe, 20-6 In Last Non-District Game

After being denied a touchdown by a stout Yoemen defense just before the half, LaGrange came back to score three touchdowns in the second half to top Cameron 20-6.

On the first play from scrimmage in the second half with the LaGrange Leopards on their 45 yard line, QB Jerry Call hit his left end, Jerry Bains with a 55 yard pass for the touchdown. Then Call ran the extra point for an 8-0 lead.

Cameron came back as the Yoemen recovered a Leopard fumble on a punt and drove in to the seven. Yoe halfback Craig Wallace went over for the tally. Wallace's try for the points was no good.

The win made it a perfect season for the LaGrange team as they chalked up the fourth win in a row. The loss was the third for the Yoemen. Rosebud and West who are also undefeated caused the Yoemen losses.

LaGrange's fullback Bennett Ritchie gained 111 yards to lead the Leopards.

Craig Wallace led the Yoemen with 33 yards rushing for an 8.25 yard rushing average for the night.

FIRST QUARTER

The Yoemen took the kickoff on the Yoe 29 and did not return it. Mayer gained two yards. Then a LaGrange offside penalty moved the ball to the 36. Mayer again picked up two and Cameron was penalized five yards for delay-of-the - game. Lester then let go a 45 yard punt.

LaGrange took the ball on their own 11 and drove it to the 34 before they punted.

The Yoemen took over and Amos Doskocil hit for 4 and Mayer clipped off two yards. Dicky Ponder then tried a pass to Doskocil but it went incomplete. Lester then booted the ball to the LaGrange 39.

LaGrange moved the ball twenty yards before the Yoemen hit hard and the ball carrier fumbled and Mike Koranek fell on the ball. The quarter ended.

SECOND QUARTER

The Yoemen tried to pass but as Mikula faded back to throw he was hit by half of the Leopard line. Then Doskocil gained one and Lester booted a 31 yard punt to the LaGrange 28. LaGrange took the ball and with Richie carrying 15 out of the 19 plays they drove down to the Yoeman one yard line.

The Yoemen displayed one of the outstanding defenses as they held the Leopards on the one.

The Yoemen took over and quarterbacks Ponder and Mikula each tried to gain running room but were stopped at the line of scrimmage. Then a handoff to Joe Mayer picked up one and LaGrange was caught piling on. This moved the ball to the 17 yard line. Doskocil hit left end for five. Ponder then kept the ball for gains of 8 and 6 as the hald ended.

THIRD QUARTER

The Leopards came out the second half determined to score and that they did. On the first play from scrimmage OB Jerry Call hit end Jerry Bains with a pass good for 55 yards and a touchdown. Then Call added the points as he circled right end and the Leopards led 8-0.

Doskocil returned the kick to the Yoe 38. Mayer was stopped for no gain. Then Mikula hit Mike Perrin with a jump pass good for five yards. Then he hit his other end, Lester, with a jump pass for 4 yards. Playing it safe Lester punted to the LaGrange 20 and it was returned to the 36 by Richie. Richie then picked up eight yards in two tries. Koranek broke thru the line and nabbed QB Call for a five yard loss and the Leopards punted.

Wallace picked up 12. On the next play the Yoemen fumbled but Joe Mayer was on the ball as it hit the ground. Mikula then shot a pass to Wallace but it went incomplete. Then as Ponder faded back he was cut down for a ten yard loss.

Lester's punt went to the 15 but was returned to the 24 by Call. But the Yoemen hit him and he fumbled the ball and the Yoe recovered.

Mayer hit for five yards and then for one yard. Wallace picked up 12 putting the ball on the 7 yard line. Wallace then took Mikula's handoff and went on to paydirt untouched Wallace's try for the extra points was no good. The Yoemen were still behind 6-8.

LaGrange took the ball on the 48 yard line. They punched out enough yardage for the first down as the clock ran out the quarter. But this went unnoticed as they were allowed to run one play which netted 29 yards, setting up a touchdown on the 14 yard line.

FOURTH QUARTER

In four attempts Richie moved the ball to the three yard line. One play later Jerry Call circled left end for the TD. Richie's try for point was no good.

The Yoemen took the ball, after a 19 yard runback by Wallace, on the 37. Wallace gained two but Mikula was smeared as he tried to pass and on third and 18 Lester punted to the LaGrange 45.

Fleet half back Ronnie Voss broke away for a 35 yard gain to set up the next touchdown. Call hit for 1 and Tommy Kubecka hit for three before QB Call took the ball from 15 yards out for the tally. Richie tried the kick for extra point but it was low.

Leading 20-6 the Leopards kicked to the 25 and Doskocil returned the ball to the 32. Mayer then was stopped for no gain and tried a second time picking up a yard. Doskocil gained four before Lester chore. He booted it to the LaGrange 28.

The Leopards moved the ball to the Yoe 25 in 11 plays before the Yoemen stopped them. Laffere carried the ball for a four yard gain and a one yard jaunt as the game ended.

Caldwell Stomps Rogers, 40-0

The Caldwell Hornets displayed an awesome attack, using ball control and a hard charging line to trample the Rogers Eagles 40-0. This kept the Hornets winning season intact with four wins and no defeats and sent the Eagles stumbling to their fifth defeat.

In the first quarter, the Hornets started a drive on their own 25 yard line and eight minutes later halfback Larry Lina climaxed the drive with a one - yard dive off tackle. Lina was the big man in the drive as he accounted for 55 yards of the drive. An attempted kick fell short.

In the second quarter, the Caldwell line rushed the Rogers punter hard and blocked the punt on the Rogers 25. Five plays later QB Daniel Harris ran a keeper around right end from the two yard line. A pass play failed to get the extra points.

Later in the same quarter, halfback Jamie Langham dove over from the one foot line to climax a 44 yard drive. A pass from Harris to right end David Polansky accounted for the extra points.

Once again the tough Caldwell line blocked an Eagle punt on the 25 yard line and three plays later, fullback, Frank Horak bulled his way over from the four. Another pass failed for the extra points.

In the third quarter, the Hornets wasted little time in scoring as they took the kick off and marched 69 yards for the TD. Once again it was Lina off - tackle from the two yard line. The pass for extra points was batted away.

In the fourth quarer, the big Hornet tackle, Leonard Howry, recovered a blocked punt in the end zone for the last tally. Harris ran a keeper for the conversion.

With two minutes remaining in the game, the Eagles missed an excellent opportunity to score when a bad pass from center on an attempted punt was recovered by the big tackle Chandler Cisco on the three, but the play was nullified when the Eagles were penalized for having too many men on the field.

For the Hornets, Lina with 93 yards, Horak with 79 yards and QB Harris was the outstanding backs. Polasnky, Howry, Edgar Schigut, Roy Kuchera and Jay Don Watson were outstanding in the Hornet line.

For the Eagles, Carl Foster led a stumbling Rogers offense with 21 yards in 11 carries. Rogers fleet halfback was contained very well as he failed to play the kind of ball that he usually plays. In the line, tackles Chandler Cisco, Larry Meyer, guards G. W. Bradford, Kenny Waits and end Maxie Morgan played well at times.

Waits' punting fell off as he averaged 22 yards on 10 punts.

Republicans Ask For Impartial Position Drawing

Milam County Republicans requested an impartial drawing for the positions on the ballot this year and the drawing was held last week.

As soon as the names were received as certified from the state the names were drawn out of the hat and column one went to the Constitution Party, Column two to the Republicans and column three to the Democrats.

Republican officials said that they received very good co-operation from County Judge Don Humble, Sheriff Carl Black and County Clerk Wayne Weiser.

Mikula Elected Outstanding Youth

Mike Mikula was selected outstanding youth of the Cameron CYO in their last meeting. He will be entered in the district competition and if he wins there he can go as far as the national level.

Jo Ann Hollas was selected to run as an officer on the district level at the meeting Oct. 28 in Bryan.

Cameron PTA Holds Meeting

Cameron PTA met Thursday in Ben Milam Cafetorium with approximately 60 members present

Mrs. Johnny Graham was elected to serve as first vice-pres. and program chairman and Dean Yoes as second vice pres. and membership chairman.

Mrs. Vance Werner's class won the high attendance banner. The November topic will be Good Citizenship: Knowledge Through Education.

Saddle Club Sets Little Horse Show

The Cameron Saddle Club will have its Little Horse Show Sunday Oct. 14 at Wilson - Ledbetter Park at 1:30 p. m. There will be 16 classes with halters and ribbons in halter classes and bridles and ribbons in all other classes.

In case of bad weather, the show will be held the following Sunday, Oct. 21.

Bulldogs Lose 44-45 To College Station

When the whistle sounded the Panthers kicked the ball; it was fumbled and the Panthers recovered on the two - yard line. They scored on the first play and a few moments later they scored again. The Bulldogs seemed to have been in for another defeat. In fact, the Panthers led the game 30-8 during the entire half.

The Bulldogs kicked off to start the second half. Again, the Panthers were in command in the early part of the third quarter; it looked as if they were going to give a repeat performance as in the first half. Later in the third quarter, the Bulldogs started moving with Bennie Nelson, Leonard Knight, Charles Canady, Bruce Aycox, Melvin Bradley, and Frederick Kelley as the gap began to close.

Knight, a freshman half back showed great promise; the Panthers just could not stop him. Nelson, another half back was also outstanding. Melvin Bradley scored too. Kelly, a freshman quarterback was passing with great accuracy to Canady who was impossible to stop during the fourth quarter.

The Bulldogs will travel to Marlin Saturday for a non - conference game.

Omnibus Bill Gives Hope For Approval For Gabriel Dams

Washington officials have announced that North and South San Gabriel River reservoirs have been included in a proposed omnibus flood control and public works bill.

It is this authorization that will boost construction hopes for Laneport Reservoir, on the San Gabriel River just west of the Milam County line.

The Laneport Reservoir was authorized by Congress a number of years ago.

Congressman Homer Thornberry, of Williamson County, was quoted in the Williamson County Sun that pre - construction planning funds for all three reservoirs will be approved if the authorization is passed.

Total estimated cost for the three reservoirs is $45,450,00. Thornberry said he hoped the omnibus bill would be passed before adjournment of the current session of Congress.

Buckholts PTA Holds Meeting

The Buckholts PTA held its regular monthly meeting Oct. 1. Mrs. Ardell Lange, president, presided over the business meeting. During the meeting a homecoming supper to be held Oct. 27 was planned by the association. The school carnival was decided for Friday, Nov. 2.

The program chairman, Mrs. Mildred Arnold presented a film on Good Citizenship: Self-Development Through Personal Discipline and Integrity.

Refreshments of cookies, soft drinks and coffee was served by Mrs. Edwin Gandy.

The next regular PTA meeting is to be held Monday, Nov. 5. The public is invited to attend.

sports herald

By James Hollas

Ever watch the Yoemen during a time out? The Yoemen keep their helmets on and stand up to rest. Most teams kneel, sit or lay down or a combination of the three. Coach John Roberts explained it this way. The boys can get their wind faster and they actually get more rest when they are standing. The helmets are well fitted and there is no need to remove the head gear.

There is also a marked psychological advantage on the other team. Cameron needs this advantage as they have only 18 boys on the team. When the other team lays down and pulls the headgear off and the fully dressed Yoemen stand there and stare at them the opponents cannot help but feel that the Yoemen are in better shape.

The Yoemen are in good shape. The lack of injuries and the ability to play the full 48 minutes is evidence of this. With the 18 men it is necessary that they be ready to go the full game.

And the reserves do not sit on the bench. They stand with their helmets on and they are ready go.

The boys will agree that these habits adds to the spirit of the ball club.

sh

District 19AA winds up non-district play this week with only two teams in action.Caldwell is host to LaGrange and Navasota will host Crockett.

Rockdale was the only team to come thru the season with a perfect record of 5 wins and no losses. A & M Consolidated has 3 wins, 2 losses. Hearne has a 3-1 record and Navasota and Caldwell each have a 2-2 record. Cameron has a 2-3 record.

Rockdale is rated number six in the state AA ratings by the Dallas News. They are the only state rated team in the District.

Next week the district gets underway in full force. Rockdale is favorite to capture the flag but the race is wide open.

Navasota has, even with its 2-2 record, looks impressive as their losses came to state power Bellville 6-0 and Katy (18-13).

Hearne started with a tie and then lost a one point decision to Elgin. Since then the Eagles have set the best scoring pace scoring 113 points in three games.

Both of these teams could be real contenders for the title. The loss of Ronnie Menn by Rockdale has hurt the team and since his injury they have only been able to ease by Marlin and Brenham, neither of which are strong teams.

sh

Last week this column picked Cameron over LaGrange and A&M over Huntsville. That made two mistakes that set the record at 14-2 or .875 percent.

This week with Otto Potts' help we think Navasota will top Crockett 26-13. LaGrange should keep their record clean by topping Caldwell 30-12.

sh

As for football this Friday there will be a few good area games. Caldwell will host LaGrange in a game involving a 19AA team and highly rated Rosebud plays host to Franklin.

Thursday afternoon at 4 p. m. the Yoe-Yoes (Jr. High) will play Rockdale in Rockdale.

In Six Man Game . . .

Buckholts Romps Milano, 52-25

With Morris Jones scoring 25 points the Buckholts Badgers ran away from the Milano Eagles 52-25 Thursday night at Buckholts.

Milano received the kickoff but a few plays later Buddy Ingle intercepted an Eagle pass and later Gerald Bales plunged over for the touchdown. The extra point kick was blocked.

Jones recovered an Eagle fumble and a few plays later added a 30 yard run to set up the next touchdown. Bales then broke over center and raced to the flat and into the end zone for the touchdown. The attempted pass was no good and the Badgers led 12-0.

Milano came back as Billy Reese passed to Jerry Woods for 30 yards and a touchdown. The run for extra point was good and the score advanced ahead 20-7.

Jones took the ball again and broke thru the center of the line for the touchdown. Inge's kick for the points were good and Buckholts was ahead 20-7.

Milano drove down to the four yard line and Reese hit the center of the line for the touchdown. A pass for the extra points was batted down by Buckholts and the score was 20-13.

But Coach Jimmy Hauk's Badgers came back with Bales taking a handoff and moving up the middle for a touchdown. The kick was blocked and the Badgers led 26-13 as the half ended.

Buckholts scored again as Jones took off around right end but could not find running room. He reversed his field and with a key block by Inge he outraced the Eagles for a 45 yard touchdown run. A pass from Inge to Dicky Jones was good for the extra point.

Morris Jones again took the ball in from the 32 yard line for another touchdown. The kick was no good and the Badgers led 39-19.

Milano came back with Billy Reese breaking away over center for the touchdown. Buckholts was able to stop Harold Van De Wedge before he could score the extra point. The score was 39-19.

A few plays later Jones broke away for a 40 yard run before Milano caught him on the one yard line. On the next play, Calvin Shenkir went around right end and headed for the flag and for the touchdown. Jones then hit the center of the line for the extra point, Buckholts lead 46-19.

A few minutes later Jones broke thru the line, ran thru the defensive backs as he sidestepped them for the 35 yard gallop to the goal line. His kick for the points was no good.

Milano was not one to give up even with the score 52-19. They came back with a pass from Reese to Woods good for 20 yards and a touchdown. A pass for the point was batted down.

Milano tried an off side kick and recovered the ball. Reese threw another pass good for 35 yards and a couple plays later the ball was on the two pard line.

But time ran out before the Eagles could score and Buckholts had scored another win over Milano by a 52-25 score. In another meeting of these two schools in this wide open football game Buckholts defeated Milano 27-0.

Suffocation Kills 230 In Texas Home Accidents

Suffocation now kills six Texans for every one killed by the combined ravages of diphtheria, scarlet fever and typhoid fever.

"Modern medicines and vaccines," Lone Star Gas Company Manager C. M. Burke said today, "have greatly reduced the death toll from these one - time scourges of mankind. But these medicines and vaccines will not eliminate suffocation fatalities. Only the use of effective safeguards and constant vigilance will reduce or eliminate this needless loss of life."

Lone Star is sponsoring a home safety program in Cameron for the second straight year. Co - sponsors are the Texas Safety Association and Cameron Herald.

Two hundred and thirty Texans died from suffocation in a recent typical year, with 158, or 69 per cent, being in the 0-4 age group. Diptheria, scarlet fever and typhoid fever killed 38 Texans.

Center Of The Map...

We were glancing through the Cameron Chamber's brochure the other day and noted the map of Texas showing the distances to metropolitan cities.

That brochure is still as new as the day it was printed. The central location concept for Cameron's growth is even more valid than two years ago.

Even the State Highway Dept. now focuses interest on Cameron. It is publicizing the fact that Houston traffic is taking the shortest route through Cameron on SH 36 and US 77. This means additional interest in the Cameron area from mushrooming South Texas.

And better highways are connecting Central Texas with all parts of the state including the North Texas metropolitan area of Ft. Worth - Dallas.

If highway traffic now flows through Cameron from Texas' largest city to Waco, Cen - Tex's largest city, then watch the growth come.

But we must continue to work for it and think in terms of growth. We must remember the advice of economists who say the town of 5,000 or more, generally agriculturally based, has promise which must be backed up with continued community efforts to grow for survival.

Emphasis on location is important, because it is one great advantage shared by few cities in this area. We have road, rail and air advantage, which likely means freight advantages, which in turn, must mean distribution advantage for small manufacturers . . . and not just to one metropolitan area of Texas, such as suburban cities depend on, but to all metropolitan areas of urban Texas, save a few in the west.

The coming of NASA to Houston alone makes possible about 2,000 new industries in Texas, according to reliable sources. Cameron can surely benefit from these. Cameron can work for their location.

That Chamber brochure will prove to be prophetic about Cameron's ideal location. With all the other advantages of climate, working force and improved community facilities, Cameron has a lot on which growth can focus.

More Building Underway...

Construction took an upswing this week in Cameron as remodeling began on the building at West Second and North Houston, soon to be the new location for the Milam ASCS office.

The corner building, once vacant will be joined to the list of remodeled structures on Houston, which has seen a tremendous number of physical improvements in the past two pears.

Other work continues on new fronts and buildings and homes in other parts of Cameron. There is a new structure abuilding near the highway drive - in, said to be a cafe building.

The long improvement program started by the Cameron Chamber in 1960, boosted by local banks and contractors that year and followed up in the past two years, has meant the most continuous remodeling program in recent Cameron history. With each new building, the results are ever more impressive.

As occupants find their way back into vacancies in other buildings, Cameron will see even more progress in building appearances and usefulness.

Side - Currents In Oil Scandals

By Vern Sanford

AUSTIN — With indictments already returned in the East Texas slant - hole investigation, there are strong side - currents growing out of the East Texas scandals.

Rep. Charles Ballman of Borger, and his fellow House investigators sent a preliminary report to Speaker James A. Turman and Gov. Price Daniel. They urged "immediate action" on eight changes in or additions to the criminal laws.

They also proposed that a procedure be set up to replace state officials who become ill and unable to handle their duties. This obviously is a reference to Railroad Commissioner Ernest O. Thompson, who has been ill at his home in Amarillo for several months.

A major policy change would be revision of the old "marginal well law" which could be very important to many Texans, particularly in old oil areas.

Present law says that if an oil well cannot make as much as 20 barrels a day, it is a "marginal well" which must be exempt from shutdown days. Thus, a well producing 19 barrels a day will get an allowable of 570 barrels a month. But a well capable of making 1000 barrels a day will be held to 160 barrels a month -- 20 barrels a day times eight producing days.

Committee recommended that marginal wells be held to the same monthly allowable as a non-marginal well in the same field.

Governor Daniel has been noncommittal on the possibility of calling a special session of the Legislature to act on this and other current problem areas.

COMMISSION SHAKEUP

Texas Railroad Commission is under a reorganization study by the Texas Research League. Already changes in procedures are being put into effect.

Commissioners William J. Murray Jr. and Ben Ramsey named a committee of oilmen headed by James E. Russell of Abilene to advise on revision of rules and procedures which most admit had become too cumbersome and slow.

PADRE AND MADRE

Land Commissioner Jerry Sadler continues his battle against creation of the Padre Island National Seashore.

He has charged that oilmen bidding on state school leases in Laguna Madre did not make big cash bonus offers to the state because of passage of the Padre Island bill.

Sadler intends to oppose legislation to authorize sales of state land in Laguna Madre to the U. S. for the recreation area.

He has hired Captain William C. Russell of Fort Worth, recently retired as director of the Southwest Division of the Coast and Geodetic Survey, to survey the area along the Gulf.

Although the so - called "tidelands" law was passed in 1953, there has not been a settlement between Texas and the U. S. as to where the exact boundary lies. Russell, whose life work has been in coastal surveying, will undertake that chore.

It is made doubly hard because the line is supposed to be three marine leagues off the shore, as it was in 1848 when Texas entered the union. The shoreline has changed considerable in the intervening years.

BUSINESS PERKS UP

Texas business activity rose seven per cent in August over July. And eight per cent above that of August 1961.

Bureau of Business Research of the University of Texas found this rosier picture in August, after two bad months of decline.

CASH ON HAND

While there has been lots of talk about the state government being in the red, it really never has been

On August 31, when the fiscal year ended, the State Treasury had $219,000,000.

Deficits have been recurring in one of the state's 380 or so funds -- the General Revenue Fund. But the others always have cash balances.

Comptroller Robert Calvert gave Texans some charts. They show where $1,300,00,00 went last year. Education took 41.01 cents of each dollar, highways took 28.50 cents, public welfare cost 16.29 cents, state hospitals and prisons cost 5.16 cents, and all the rest -- Legislature, courts, administrative agencies and everything else -- cost 9.04 cents of every dollar.

"CARLA"

By Clara McFarland Kitching
Copyright, September 1961

The slow, but furious Carla,
Her life was never tame.
She strongly built her force,
Into a whirling dame.

The sea upset from her,
Radar watched her move,
Angry! whirling Carla,
Such! madness to prove.

The evil eye of fury,
Headed for the Texas Coast.
Carla struck upon our land,
The many homes were lost.

Along the beach of Texas,
Folks were trying to save
Their many possessions
Swept into Carla's wave.

Carla, will be remembered
Always, within our heart.
The fury she has spun
The homes she tore apart.

The big and furious Carla.
The storm of 1961
Texas folks shall remember,
The damage she has done.

THE OLD PHILOSOPHER

Philosopher Doubts Electronic Computing Machines Will Ever Succeed On His Farm

Dear editar:

I was out here on my Johnson grass farm yesterday sitting down resting my mind from all the current crises of the world when a pleasant October breeze blew a newspaper into my yard and dropped it right at my feet and I picked it up and skipped the front page headlines and was going through the inside pages when an article caught my eye.

"Computers Will Work On Farms," it said, and I read it immediately. "Farms of the future will be handled largely by computers," it continued.

This is just what I'm looking for, I told myself, but then I got to the next paragraph. "Computers will be used by farmers to tell them when to plant crops, what to feed the animals and how much water is needed by the crops."

That's when I cooled off. I don't need a machine to tell me when to plant, what I want is a machine that I can tell it when to plant.

The last thing I need is an electronic machine on this Johnson grass farm running me ragged with orders. I'm not carrying out the orders I'm already getting.

The article even went on to say that "information obtained from transmitters placed on cows would be transmitted to a computer and a report would be made outlining the animal's needs." This is ridiculous. I already know what my animals need. They need more feed and I also know the way they'll get more feed is by me working harder, and I wouldn't be interested in having a machine on this place to tell me that. Aren't going to catch me working harder to pay for a machine to tell me to work harder to feed my livestock.

I've never fully understood the point in these big electronic computing machines anyway. I know they can figure up in a few seconds the answer to a problem it'd take a man years to figure, but the way I get around needing such a machine on this farm is, I just don't think up any problems that big. Why don't they turn these machines loose on the problem of Cuba?

Yours faithfully,

J. A.

Rogers Church Sets Dedication

ROGERS — The First Baptist Church of Rogers will have a special dedication program Sunday morning at 11 a. m. for the new education building recently completed by the Cameron Company. The guest speaker will be Dr. Arthur K. Tyson, President of Mary Hardin - Baylor College at Belton. Special music will be given by Mrs. T. R. Padgett of Waco, a former member of the Rogers church, according to the Pastor, the Rev. Clyde Lee Herring, who will be master of ceremonies for the program.

Sunday morning will also be Promotion Day in Sunday School, according to Doyle Ray, general superintendent of the Sunday School. Sunday School pupils who are to be promoted will be taken to their new classes and and teachers and church officers will assume their duties Sunday morning also. The new church year started Oct. 1.

This is the first education building the Baptist church has ever built, culminating a dream held by many members for a long time. Doyle Ray, Sunday School superintendent and general leader of young people, has been the main spark plug through the years in keeping the education building needs before the church.

After all the morning programs, the Women of the church will serve a covered dish luncheon in the fellowship hall of the new building. All families of the church are invited to bring lunch and participate in the full day's program.

Sunday School Class Has Social

The Eva Smith Sunday School class of the First Baptist Church and their husbands met with Mr. and Mrs. Raymond Willy Thursday night for their monthly social and business meeting.

A buffet supper was served to 28 present.

PTA Sets Meeting In Rogers School

ROGERS —The Rogers Parent Teacher Association held its October meeting Monday night in the high school gymnasium, with Mrs. Floyd Frits, president, in charge. Mrs. D. D. Ward had charge of the program.

The program, "Good Citizenship: Self -Development through Personal Discipline and Integrity", was developed and conducted by David Wright, President of the high school Student Council. Barbara Smith was narrator, and Dwaine Chlopek gave the devotional

The business meeting included reading of the minutes of previous meeting by the secretary, Mrs. Claude Foster. Mrs. C. O. Synatzske, treasurer, gave her report. Mrs. Elwood Raley, membership chairman, gave the results of the drive which netted 493 members. The Senior Class won the trip to Six Flags for the high school division; the 8th grade the same trip in junior high; Mrs. Imogene Harbour's 5th grade won the intermediate trip to the Cen - Tex Zoo and industrial places in Waco; Mrs. Edith Starnes 2-3 room the trip to the zoo.

The report of the projects committee chairman, Mrs. Woodrow Chervenka was approved for the year. Other reports were given.

The date of November 3 was set for the annual PTA carnival. Darwin Schwertner was named general chairman for the second year, with the steering committee consisting of him, D. D. Ward, J L Chervenka, Mrs. Floyd Frits, Mrs. Edward Psencik and B. F. Harbour.

Mrs. Herman G. Mueck, Jr.

Jahn, Mueck Vows Read In Burlington

Miss Gladys Marie Jahn of Burlington and Herman G. Mueck Jr. of Cameron were married Saturday in St. Michael's Catholic Church in Burlington.

Parents of the couple are Mr. and Mrs. Frank Jahn of Burlington and Mr. and Mrs. Herman Mueck of Cameron.

The Rev. Arthur Michalka performed the double ring nuptial mass before an altar decorated with white mums. Mrs. Sharon Schaub of Tyler, organist, furnished music.

Given in marriage by her father the bride wore a gown of silk acetate over taffeta. The fitted bodice was highlighted with brocad, seed pearls and irridescent sequin deocrations and formed a point at the waist. The fitted brocaded sleeves tapered to petal points over her hands. The skirt was accented with a front and two back panels of brocaded insets and extended from the waist down the chapel train.

Her veil of imported silk illusion fell from a scalloped crown of seed pearls. Her only jewelry was a pearl droplet, a gift of the bridegroom. She carried a bouquet of white carnations centered with a yellow-throated orchid and she carried out the traditional something new, old, borrowed and blue and a penny in her shoe.

Attending the bride was Mary Ann Meek of Waco as maid of honor. Bridesmaids were Frances Trojan and Carolyn Reinders, cousins of the bride of Houston. Margaret Jahn, sister of the bride of Burlington was Jr. bridesmaid.

The attendants were dressed in antique gold brocaded satin with short sleeves featuring a street - length bell - shaped shirt. They wore a pearl droplet and matching head piece of satin bow and circular net veil. Gold leather shoes and matching net mitts completed the outfit. They carried bouquets of bronze mums.

Bestman was Lee Hollas of Cameron. Groomsmen were Carroll Jahn, brother of the groom of Burlington, and Monte Ray Mueck, brother of the groom of Cameron Jr. Groomsmen were Melvin Meek of Burlington. Ushers were Delphyn Meek of Burlington and Harold Trojan of Houston, cousins of the bride.

The bride's mother chose a beige sheath with matching accessories and wore a beige orchid. The groom's mother chose a navy blue dress with black accessories and a white orchid.

A reception and dinner was held in the Burlington Parish Hall with white mum decorations. Judy Krause of Burlington registered the guests.

The table held a white wedding cake with roses, swans and bells and gold net decorations. Members of the houseparty were Mrs. Arnold Jurgens, Mrs. Phil Krause, Mrs. Geo. Kalhig, Mrs. Rudy Wunsch and Mrs. Will Stoebner.

For a wedding trip to New Mexica the bride chose a blue two piece suit with black accessories. The couple will make their home in Houston where they both are employed.

The bride is a graduate of Rosebud High School and the groom is a Yoe High School graduate.

Miss Ann Bowman Speaks To DAR

Miss Ann Bowman, exchange student to Germany last year, was guest speaker Thursday at the regular meeting of the Sara McCalla chapter, DAR. Mrs. Graham Gillis was hostess.

Miss Bowman presented slides taken during her stay in Augsburg with trips into Holland, West and East Berlin and Italy describing with detail the locale and people of each country.

The Invocation and Pledge of the Flag were led by the Regent, Mrs. T. F. Criswell.

The guests, Mrs. James Watson, Mrs. George Bowman and Miss Bowman were welcomed by the Regent and Miss Bowman was introduced by Mrs. James Kahler.

At the conclusion of the program, Mrs. Gillis invited the chapter and guests into the dining area where refreshments, were served. She was assisted by Mrs. G. A. McDermott.

Mrs. Hensley To Speak To Civic Garden Clubbers

"Planning and planting-to Pleasure" will be the subect of the Civic Garden Club, Thursday 9 a. m. in the Recreation Room of the First Christian Church. The speaker will be Mrs. Charles Hensley, a member of the Club.

Each club member is requested to bring one horticultural specimen, in a bottle, which is tobe udged on its own merits by a special committee.

Hostesses for this meeting will be Mrs. Johnny Graham and Mrs. James T. Wade.

The Club is looking forward to the intertaining of our senior friends with a "Lovely Lady Tea" which will be Oct. 18 at 3 p. m. in the Recreation Room of the First Christian Church. This is an annual event of the Civic Garden Club.

Theme for the Club year is "The Countdown Through the Five P's to Pleasure - Plan, Plant, Protect, Preserve, Present. Programs for the monthly meetings will cover both growing and flower arranging. The Club year will end with a "Breath of Spring" placement Flower Show.

PM

Weekend guests of Mr. and Mrs. Conrad Jekel, Jr. were their daughter and family Mr. and Mrs. Herbert Butler and David of Dallas, Mr. and Mrs. Lee Roy Orsag, David and Debra of Austin and Mrs. Louis Denker of Austin.

San Gabriel Church Honored

The San Gabriel Baptist Church earned the highest award of its district in the 1962 Texas Baptist Church Achievement Program.

The 112 resident - member church sponsors community civil defense organization, a flood warning system and crop demonstration projects. The members sponsored 69 proects "toward a better church a better community and a better world."

The church's pastor Rev. William R. Parmer, recently received the Rural Minister of the Year Award given by Progressive Farmer magazine and Emory University School of Theology, Atlanta, Ga.

Mrs. Lawhorn Talks To Garden Clubbers

Mrs. Jack Lawhorn of Temple led a workshop on dried arrangements for the Fleur-de-lis Garden Club Tuesday evening.

The club met at the home of Mrs. Louis Holley with Mrs. Bill Eanes and Mrs. Louis Elley as co - hostesses.

Discussing the arrangements made at the workshop, Mrs. Lawhorn stressed color and texture of materials as the most important consideration in making a dried arrangement.

THREE ARTS CLUB

The Three Arts Club will meet today (Thursday) at 3 p. m. in the home of Mrs. Niley J. Smith for a program on Pakistan. Mrs. E. O. Smith Jr. will be co-hostess.

Visiting in the home of Mr. and Mrs. John Myrick Sunday were Garrison Housewright of Florence and Elroy McDaniel and son of Cameron.

Mr. and Mrs. George Dodd and Karen attended the Heart of Texas Fair at Waco Wednesday.

Janet Lee Fuchs was honored with a party at City Park Thursday on her fourth birthday.

11. Cards Of Thanks

We wish to express our appreciation and heartfelt thanks to all our good friends and relatives who were so kind to us and our loved one during her illness and recent death. Thank you for the flowers, food, remembrance fund, get-well and sympathy cards, personal visits and words of comfort and prayers for her and us.

May God's richest blessings rest upon you.

The Family of
Mrs. Lois Haddox

We want to take this method to say thanks to the men that helped in any way in getting me to the hospital Wednesday evening when I became over heated from fighting the grass fire in the Marlow Community. We did not know some of your names, but to each of you thanks and May God Bless you. Also thanks to Marek and Burns Ambulance service and nurses at Saint Edward Hospital and Dr. E. O. Smith.

Mr. and Mrs. Anton Macek

We wish to thank our neighbors, friends and Cameron fire department for fighting the fire last week.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, JULY 2, 1946 AND JUNE 11, 1960 (74 STAT. 208) SHOWING THE OWNERSHIP MANAGEMENT AND CIRCULATION OF

The Cameron Herald, published weekly each Thursday at Cameron, Texas, for October 1, 1962.

1. The names and addresses of the publisher, editor, and business managers are:

Publisher Frank M. Luecke; Cameron, Texas

Editor Frank M. Luecke; Cameron, Texas

Business Manager Janet W. Luecke, Cameron, Texas

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firms, its name and address, as well as that of each individual member, must be given.)

Don Scarborough; Georgetown, Texas

Frank M. Luecke; Cameron, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

John W. Cardwell, Georgetown, Texas

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown was: (This information is required by the act of June 11, 1960 to be included in all statements regardless of frequency of issue.) 2858

Frank M. Luecke

Sworn to and subscribed before me this 2nd day of October, 1962. SEAL

Jones Prairie --- Harwells Visit In Wyoming

By Mrs. S. S. Hickman

Mr. and Mrs. J. E. (Pete) Harwell left Tuesday for Casper, Wyoming, where they will visit their son and family Mr. and Mrs. Layne Harwell and daughter, Bobbie Layne.

Newly elected officers of Little River WMS are as follows, President, Mrs. Jack Pond; vice-president, Mrs. Harry White; secretary-treasurer, Mrs. Luther Todd; Mission Study, Mrs. Verne Pentecost and Program chairman, Mrs. Carlton Crook.

Miss Ethel McKinney and Mrs. J. A. McKinney had as their Sunday dinner guests the Rev. Weldon Harris, Mrs. J. A. Jamison, Miss Louise Jamison and Mrs. S. S. Hickman.

Mr. and Mrs. Dewey Black have moved from the Clarkson Community to the home of the late Dr. W. J. Fontaine here.

Mrs. Luther Todd joined by her sister Mrs. J. D. Smalley of Cameron were recent visitors in Brownwood. Mrs. Smalley's daughter Joyce is a student of Howard Payne College.

Mr. and Mrs. Brad Fuller and family of Dallas visited her parents Mr. and Mrs. Jack Pond.

Mr. and Mrs. James Fontaine were guests of his parents Mr. and Mrs. Rodney Fontaine over the weekend.

Mr. and Mrs. Harry White had as their guests over Sunday Mrs. Nadine Parker of Rockdale and Fred Allen Parker of Waco.

The Little River WMS had a revelation party at the Sunday school annex Wednesday evening. Refreshments of dough nuts, coffee and punch were served to 16 members.

Mrs. Jack Pond is visiting her sister-in-law, Mrs. Marshall Pond of Kingsville. She plans to visit Mr. and Mrs. Erwin Stoker of Austin before returning home.

Trish and Bubba Florida of Calvert were weekend guests of their grandparents Mr. and Mrs. Verne Pentecost.

Sunday afternoon guests of Mrs. S. S. Hickman were Mr. and Mrs. Lester Hughes of Cleburne, Mr. and Mrs. Bill Hughes and two sons, Brad and Scott of Cypress, near Houston. Mr. Hughes is a member of the Cypress School faculty.

Misses Karen Fontaine and Tish Jones attended the Dallas Fair with the HE class Saturday.

Thelston Anderson of Houston passed away Wednesday. Mr. Anderson was born and reared in Jones Prairie and the brother of Mrs. Julian Burnett here.

Mrs. T. B. Stidham accompanied Mr. and Mrs. Dwight Moody of Cameron to Houston to spend the weekend with Mr. and Mrs. Ben McGlothlin.

Mr. and Mrs. Maye Burnett and family of Beaumont were recent guests of his parents Mr. and Mrs. W. B. Burnett.

LOWERING CHOLESTEROL

At present, there is little proof that lowering cholesterol in the diet will lower the amount in the blood. The body can manufacture cholesterol out of other food products.

Mrs. Charles C. Smith, Sr. flew to Washington, D. C. this week to spent several weeks with her granddaughter and family Mr. and Mrs. Joe Bill Harrison, Janet and Donna.

"You're Going to Quit!"

"NOW LISTEN, MAN! You've let that lovely wife and those precious children of yours go to church *without* you for the last time. You're going to quit this "sleeping late" foolishness. You're going to quit letting your wife carry the "family religion" in her name. You're going to quit embarrassing her when friends ask: "Where's Bill; didn't *he* come?"

In short, Old Man, you're going to quit *trifling with God*, and *with your own spiritual needs.*

Yes, you're going to quit — not next Sunday, but *this* Sunday, even if it's late when you get there — and even if the "roof falls in!"

Burlington — Davenports Visit Relatives In Ft. Worth

By Mrs. George Logan

Mr. and Mrs. Henry Davenport were in Ft. Worth last week where they visited Rev. and Mrs. Henry Davenport Jr.

Mr. and Mrs. Leo McIntosh and family of Temple have moved to the Cahill house in Burlington. He is working for Post Master Walter G. Marek.

Mr. and Mrs. Ernest Rothe and family have moved into the Krause home in Burlington near the Parochial school building.

Mrs. Henry Davenport of Burlington sustained a broken right arm in two places Tuesday. Her husband was running a drill on their farm when she got caught in the drill as he started across the field. She was thrown into the air and fell to the ground. She is getting along fairly well.

Mr. and Mrs. Ray Schonhoeft had word from their son Harold of Independence Mo., that he left Sept. 29 for Rochester N. Y. to attend an Electronics School for three months. His wife and children Karen Jana and Rhonda left for the home of relatives Mr. and Mrs. Ted Muesch at Mobile, Alabama while he is away.

Mrs. Lelia Hickman, music teacher, Mrs. Ruby Arledge, visiting teacher, Mrs. Francis Cox, piano teacher visited the public school here last week.

Mrs. J. D. Lewis was a visitor at the public school Thursday.

Mrs. Elo Buegeler was in Cameron Tuesday for a visit to her daughter Mr. and Mrs. Monroe Bruidigan and family.

Fred Heugatter is in West Texas where he is working.

Ernest Rothe has returned home from a trip to West Texas.

Mr. and Mrs. Lee Roy Grall and family of Houston spent last week end here in the home of her mother Mrs. Henrietta Haggerty and family.

Mr. and Mrs. Walter Strickler, Mr. and Mrs. M. D. Swanzy made a visit to Austin in the home of Mr. and Mrs. Walter Kuhn and to San Antonio to the home of Mr. and Mrs. Elo Kuhn and also visited relatives at Poth.

Mark Olbrich was hurt Friday at school. The injury required 12 stitches.

The Catholic ladies Altar - Society met Wednesday at the Catholic school building. An interesting talk was given by Father Goertz.

Shirley Buckholt of Westphalia spent Saturday night here with Joan Olbrich.

Patrick McSherry of Sweetwater, Texas, accompanied his grandparents Mr. and Mrs. Tesney of California here Friday to the home of his grandmother Mrs. Celia McSherry where he will spend a few days while Mr. and Mrs. Tesney go on a visit to relatives in Austin.

Denny O'Neill of Waco spent the weekend here with his grand parents Mr. and Mrs. Fritz Wied.

First Lt. and Mrs. Stanley Wied and baby have arrived here from Dover, Delaware to the home of his parents Mr. and Mrs. F. H. Wied. He left Sunday for Oklahoma where he will spent three months in the service. Mrs. Wied and baby will remain here for two weeks and then join him in Oklahoma and remain there with him.

Miss Margaret Hargrove of Rosebud accmpanied Lt. and Mrs. Stanley Wied to Cameron Saturday for a visit to relatives.

The news of the death of Louis Murff was received here Friday, Oct. 5. He passed away at Texas City Friday. Services were held at Texas City Sunday afternoon. Graveside services were at 2 p. m. Monday and burial at Ben Arnold Cemetery.

Rev. R. Fletcher filled his regular appointment at the church Sunday and Sunday night. Visitors were Joy and Sherry McCollum of Waco.

PLANT DISEASE

Because it is hard to diagnose, verticillium wilt disease may be a serious threat to geraniums, says Dr. Harlan Smith, extension plant pathologist and in charge of the Texas A & M College. The disease is often confused with bacterial rot and plants are thus treated for the wrong condition, he explains. A diagnosis will show the difference.
